

Smile! Your Amazon purchases can now support Scouting in the Potawatomi Area Council!

As if you needed another excuse to shop at Amazon.com. Now every purchase you make from the Earth's biggest online store can support the charity of your choice - including Scouting!

Through its new AmazonSmile program, Amazon will donate 0.5% of the price of your eligible purchase to the 501(c)(3) public charitable organization of your choice - in this case the Potawatomi Area Council (we hope).

Sure, half a percent isn't much and won't replace your Friends of Scouting contributions that help Scouting function in your community. But it adds up, costs you nothing and is a great additional way to support Scouting.

The one-time setup takes just a couple of seconds and you get the same prices, products and service you're used to when shopping at Amazon. It doesn't cost you any extra; the only difference is now you're helping Scouting every time you buy.

Here's a quick link to get started if you would like to designate our council to receive this donation from your Amazon Smile purchases - <http://smile.amazon.com/ch/39-0806342>

The system has our council name as Boy Scouts of America and if you add Waukesha as well in the search function it will be easy to find us ! We are Council 651.

After, you've designated your charity of choice (Boy Scouts of America Potawatomi Area Council) - in order to make your purchases count, you need to access Amazon's site through the smile.amazon.com

You will see the Smile logo and this message at the upper left of your screen: "Supporting: Boy Scouts of America Council".

Please support Boy Scouts Of America by shopping at AmazonSmile. Thank You.
