

Join us at Camp Long Lake in 2020!

We will be offering about **50 merit badges**, providing fun competitions and activities in the afternoon, fun evening programs all week, and great food in our dining hall.

Project First Class will be offered, a program where first and second year Scouts can work on their basic Scouting skills to further their advancement in the program.

If you have not been at Camp Long Lake in a few years you will be impressed at the updates and changes that have been applied at Camp, like the STEM, NEW zip line, fun enrichment time and program area updates.

Our **Outpost Program** is available for older Scouts to experience the opportunities of Camp Long Lake and its surrounding area. We will be providing events like mountain biking, whitewater rafting, mini-golf and waterpark events, INCLUDING opportunities for different Merit Badges.

There is plenty of training as well for adults; Red Cross certifications for First Aid, CPR, and other exciting new opportunities this summer for you to do.

2020 New Programs

Camp Long Lake is committing to creating innovative new areas.

Develop a trades program area that will offer badges like Automotive Maintenance, Home Repairs, and Plumbing.

NOVA programs by offering activities that Scouts can do to work their way to earning one of the 4 areas.

No Troop... No Problem!

During the FIFTH and SIXTH weeks of camp, we offer PROVISIONAL camping. Long Lake provides the adult leadership and the Scouts show up to have fun. Attending Provisional at a reduced price if it is the second week, or else regular camp fees apply. This is a good opportunity to earn extra badges and get try other program you may not have done prior.
