

I WANT YOU FOR CUB DAY CAMPS!

When you VOLUNTEER, you are seeing the skills of our Future leaders as a painting in progress. You contribute to the depth added, point of view shifted, a palette enriched. It takes faith to know those hours and days and weeks you volunteered do matter. That somewhere out there walks a man who's better because you gave up a one day, a weekend or several years...way back when.

KNOW THAT YOU MADE AN IMPACT IN MANY SCOUT'S LIVES!

2019 Cub Day Camps Staff Camp & Agreement

Cub Day Camp Staff and Volunteers must abide by the Boy Scouts of America code of ethics and job description. This means following Youth Protection guidelines, wearing the Scout Uniform, following the Scout Oath and Law, and being responsible for their actions when working with youth Cub Scouts.
