Come as a scout group or independently, but each scout must be registered individually.

Register online at [www.waukeshacounty.gov/scoutnights](http://www.waukeshacounty.gov/scoutnights)

## Spring Cub Scout Night

Monday, April 20 (Register by Thursday, April 16)

\$5.00 per scout, per program\*

Time	Scout	Program
4:00 - 5:00 p.m.	<b>Tiger</b>	<b>Sky is the Limit*</b> Scouts will discover that the sky is the limit during this visit to the Horwitz-DeRemer Planetarium. During the star talk and Star Signs planetarium show, observe constellations and names of stars in the night sky. After, explore jobs in astronomy within the literature found in the planetarium lobby.
4:00 - 5:00 p.m.	<b>Wolf</b>	<b>Finding Your Way Adventure</b> Learn how to read a map, locate where you live and to use a compass to work your way through a scavenger hunt on the Retzer trails. Requirements 1A, 2A-B, 3 and 4 will be completed during this program.
5:00 - 6:00 p.m.	<b>Bear &amp; Wolf</b>	<b>Space Exploration*</b> Scouts will examine space exploration through the new historical documentary called CapCom Go! The Apollo Story, which showcases the achievements of the Apollo program and what it took to put the first human on the moon.
5:00 - 6:00 p.m.	<b>Webelos</b>	<b>Into the Wild Adventure</b> Learn about bird flyways, wild creatures in their habitats, and local animals. Identify components of the food chain and how humans have changed the balance of nature. As we take a hike along wetlands, we will learn about the role of aquatic ecosystems. Requirements 4-9 will be completed during this program.
6:00 - 8:00 p.m.	<b>Webelos</b>	<b>Adventures in Science* (\$10 per scout)</b> Discover Adventures in Science at the Horwitz-DeRemer Planetarium and study the night sky. While watching the star talk, scouts are able to sketch the night sky over a 6 hour period by observing constellations like the Big Dipper and names of stars like Polaris. Finish the evening by building and launching a stomp rocket.

## Fall Cub Scout Night

Monday, October 12 (Register by Thursday, October 8)

\$5.00 per scout, per program\*

Time	Scout	Program
4:30 - 5:30 p.m.	<b>Bear/ Wolf</b>	<b>Space Exploration*</b> Scouts will examine space exploration through the new historical documentary called CapCom Go! The Apollo Story, which showcases the achievements of the Apollo program and what it took to put the first human on the moon.
4:30 - 5:30 p.m.	<b>Tiger</b>	<b>Tigers in the Wild Adventure</b> Enjoy the outdoors while identifying different plants and animals and the signs they have left behind as we hike the trails. Requirements 1-4 and 6-7 will be covered during this program.
5:45 - 6:45 p.m.	<b>Tiger</b>	<b>Sky is the Limit*</b> Scouts will examine space exploration through the new historical documentary called CapCom Go! The Apollo Story, which showcases the achievements of the Apollo program and what it took to put the first human on the moon.
5:45 - 6:45 p.m.	<b>Bear</b>	<b>Fur, Feathers, Ferns Adventure</b> Hike the trails and learn how to identify signs of mammals, birds, insect and plants. We will observe wildlife from a distance and plants close up! Requirements 1, 2, 4, and 5 will be covered during this program.
6:00 - 8:00 p.m.	<b>Wolf</b>	<b>Paws on the Path Adventure</b> Join a naturalist on a hike to identify birds, insects, and other animals along the trails. Watch and record interesting items we find as we hike. Requirements 1-6 will be covered during this program.
7:00 - 8:00 p.m.	<b>Webelo</b>	<b>Adventures in Science* (\$10 per scout)</b> Discover Adventures in Science at the Horwitz-DeRemer Planetarium and study the night sky. While watching the star talk, scouts are able to sketch the night sky over a 6-hour period by observing constellations like the Big Dipper and names of stars like Polaris.

\*For Planetarium Shows ONLY: Any chaperone or sibling wishing to attend the planetarium show with their scout can pay \$5 at the door on Cub Scout Night as space allows (maximum planetarium capacity is 90).
