2020 Family Friends of Scouting Fact Sheet

What is Family Friends of Scouting?

Family Friends of Scouting (FOS) is an annual, council-wide appeal conducted in every Pack and Troop between the months of November and April. The Family FOS Campaign asks parents and families to consider financially supporting the Scouting program in an effort to offset the cost of providing Scouting to their child.

Why is Family Friends of Scouting important?

The true cost of Scouting is greater than the registration fee, Pack and Troop dues and even greater than the fee charged for camp. Family FOS support ensures quality Scouting can happen by supporting the cost of camp upkeep and improvements, training of adult leaders, advancement record keeping, registration, camp scholarships, professional staff guidance and support.

Should every family in my unit give to FOS?

Every family should be given the opportunity to experience an FOS presentation, learn more about the ways in which FOS benefits the program their child enjoys, and consider making a donation dependent on their giving ability. The true cost of support the council provides for each child is about **\$295 annually**.

But I'm a leader and give my time, why should I support FOS, as well?

As a leader, you've dedicated a lot of time and energy to the Scouting program and you believe it can make a positive impact on young people. Family FOS helps make the following resources possible: quality camp property, training for leaders, monthly roundtables, professional support and guidance, and a council service center with resources. When compared with the cost of many other programs young people join, Scouting is relatively inexpensive. Your participation in the Friends of Scouting program is critical to continue a strong Scouting heritage.

What benefits does my unit receive?

Your unit will benefit by knowing that you have low camping costs, quality camping facilities and great customer service because of the funds your families donated to the Potawatomi Area Council.

How do we conduct a successful Family FOS program?

Follow the steps of the presentation preparation within this booklet. Setting a presentation date, time and location are the first steps! Upon completion of the presentation, forward the packet results to the FOS Chair in your District within **THREE BUSINESS DAYS**.

How is the goal determined for our unit?

Your unit goal is based on your 2019 recharter membership and is calculated at \$50 per Cub Scout family or \$75 per Scouts BSA or Venturing family. These numbers represent an average gift for families in those programs. If you have questions, please call your District Executive.

Where does my employer's matching gift or payroll deduction money go?

All money from matching gifts or volunteer hour grant programs are credited directly to your unit's goal.

For additional information regarding the Friends of Scouting campaign, call the Scout Service center to speak with your District Executive at 262-544-4881.

Thank you for supporting the Family Friends of Scouting campaign. Your involvement ensures funds are available to continue quality programs in the Potawatomi Area Council.

Sample Warm-Up Letter to Unit Donors

(Date)

Dear Parent:

You and your family are invited to join us at your (Blue & Gold/Court of Honor), scheduled on (Date/Time/Location). We are very proud of the boys' achievements and extremely appreciative of all the parental involvement.

During the (Blue & Gold/Court of Honor), a volunteer from (community) will briefly discuss the annual Friends of Scouting (FOS) campaign which helps underwrite the cost of Scouting for all involved. We wanted to send out this letter in advance so you are aware and will give some thought to your gift.

Each year, our Scout unit is asked to support the administrative side of Scouting. The Potawatomi Area Council currently supports 2,100 volunteers who develop and enrich the lives of 6,000 boys and girls, ages 5 through 20, from across the council. The council provides numerous benefits to all of our youth and adult volunteers including:

- ◇ Potawatomi Area Council has ranked in the top 10% of councils NATIONWIDE
- ◇ Operation of an excellent camp with consistent top accredited ratings which provides outstanding activities and programs to our youth
- ◇ Professional guidance and support which mobilizes several hundred volunteers in our immediate area who work with the children from our community
- ◇ Free supplemental accident insurance for all registered youth and adults
- ◇ Free primary liability insurance for all registered volunteers
- ◇ Camp scholarships and uniform assistance to families

Friends of Scouting provide these benefits and many more to our children, as well as numerous at-risk youth throughout our service area. Our Pack/Troop Goal for FOS this year is \$____; \$50 per family in the Pack or \$75 per family in the Troop.

When we achieve this goal through support from parents like you, our Scouts will receive one free cloth patch per rank advancement and free Eagle kits.

The scouting organization annually spends in excess of \$295 per youth. Compared to most activities like hockey, basketball and even piano lessons, Scouting is a great investment and truly a bargain. Following the Friends of Scouting presentation, you will be asked to financially support Scouting. We hope all parents will consider a gift and turn in their pledge card during our (Blue & Gold/Court of Honor).

Please remember, any gift is greatly appreciated.

Thank you for your support of Scouting.

Sincerely,

Pack/Troop Committee

Dear Scouters:

Recently, your unit held a Friends of Scouting presentation. I want to thank all of the parents who made a donation to support the Potawatomi Area Council. In these challenging economic times, the youth of the Boy Scouts of America in the Potawatomi Area Council needs your financial support more than ever. This program is rich in the development of character and leadership, community service, outdoor programming, and having FUN in the process. Our local camp facilities, leader training, service center, and many other local resources are made possible from Friends of Scouting donations. Your support allows the council to keep Scouting strong and affordable not only now but into the future.

If you would like to make a pledge online, go to www.pacbsa.org

Thank you for your support of Scouting.

Sincerely,

Pack/Troop Committee
