Life to Eagle Presentation
Does your troop have any Life Scouts who are pursuing their Eagle rank and have questions?
Does your unit have leaders/parents who aren't really sure what about the process to earn the rank of Eagle?
Potawatomi Area Council's Life to Eagle presentations offer advice from two of our most experienced advancement administrators on how to successfully navigate the challenges of the Eagle rank.
This presentation is designed for Scouts, unit leaders and parents to help answer those questions.
Keep an eye on the Council calendar for Spring and Fall presentations held at the Council Service Center.
Troops with several Life Scouts who are unable to attend the scheduled presentations can request a presentation for their troop. Contact Curt Krohn bsaeagle59@gmail.com or Ed Marek epmarek@wi.rr.com to arrange a presentation.
