

# CAMP LONG LAKE

## POTAWATOMI AREA COUNCIL

### *Long Lake Waters: May Edition*

.....

## Welcome to CLL, 2020.

Welcome to your third Long Lake Waters of the 2020 season: This newsletter will be packed with information about camp preparations, staffing opportunities we are looking for, and other important information we have currently. This edition will have all the updates to camp from the COVID changes to other things needed to prepare for camp.

.....

THIS MONTH'S  
TOP STORIES

# Leader's Guide for 2020

by **Brad Singer, Camp Director** on May 24

With the changes being made due to the COVID-19 virus, we have adjusted items in the guidebook. The changes made are in ~~striketrough~~ font. Most of the changes you will need to be aware of are in the COVID procedures letter below in this newsletter.

Near the back of the guidebook is the appendix. I have included and will continue to add links to websites and documents you will need to help prepare your unit for camp. The goal is to make it easier to locate forms you need and make the guide a one-stop shop for information. If you ever see an error in the book, please email us.

### Staffing Opportunities

by **Jeff "JP" Pett, Program Director** on May 18

Please pass along that we still have opportunities for employment this summer at Camp Long Lake. We are in need of some 18-year-old positions. If you know anyone interested, please have them apply. See the picture below to see what we are looking for. We know some people's summer jobs are not available anymore, but we are open to accept a few people still for the 2020 summer.

Also, we are still accepting Counselors in Training applications as well. Any Scouts who are 14 years of age, or older that want to experience camp staff can apply as well. This is a great opportunity for younger Scouts to see if Camp Staff is for them. This is a free week for those interested. The only catch is that Scouts CAN'T be at camp as a CIT the same week their unit is at camp too.

For more information on either opportunity, email me at [programdirector@pacbsa.org](mailto:programdirector@pacbsa.org) or our Camp Director, Brad Singer, at [campdirector@pacbsa.org](mailto:campdirector@pacbsa.org). Below are the links to applying for either job. We also linked our staff flyer if you would be willing to share.

# COVID-19 Procedures - Changes to Camp for 2020

by **Mike Urbanek and Brad Singer, Council Program Director and Camp Director** on May 28

There is no surprise that much has changed since the COVID-19 virus has hit the United States. As a country we have had much change, from being asked to stay at home to changing the way we even shop or walk around town.

Below you will find two links; the letter we have sent to the unit's contingent leaders and the link we created on our website back in March to detail all our changes. If you have not read this document, start there. Make sure your unit and all families are aware of all the policy changes.

To start, here are a few of the major adjustments everyone will be asked to make:

- ❑ Everyone is asked to bring the following to camp: Water bottle, camp chair, and if desired their own hand sanitizer and masks but we will provide them.
- ❑ There will be **NO VISITORS** allowed at camp during the week.
- ❑ Any visitors to camp to pick up/drop off Scouts will not be allowed to leave the parking lot and need to wear a mask when interacting with staff.
- ❑ Health forms will be adjusted slightly. Part C can be used if done on/after February 1, 2019.
- ❑ More frequent hand washing and hand sanitizing will be expected from everyone in camp, and will be encouraged **BEFORE** and **AFTER** leaving all program areas throughout the day.
- ❑ No badges/PFC should be attended by one single Scout from a unit. **AT LEAST TWO (2)** Scouts from each unit need to attend a session together and **MUST** have a buddy to go to the next activity.
- ❑ Every participant is going to be asked to wear a mask throughout the week in certain areas/times. See below on those expectations. Anyone needing a mask will be given one each day if they need.
- ❑ We **HIGHLY RECOMMEND** that all participants bring their own mask/face covering. We will provide a new one every day for anyone who asks.
- ❑ Temperatures will be asked to be taken daily, and immediately upon arrival.
- ❑ **No patrol cooking** will be done in camp. All meals will be served at the dining hall or Boes reception center, depending on your unit's campsite. The only meals made outside of the dining hall will be in Cooking Merit Badge and Project First Class on Wednesday.
- ❑ Facilities and program areas will be cleaned more frequently. We plan to clean all facilities three (3) times a day, and program areas will be sanitized between each session.
- ❑ There will be no Outpost or out-of-camp program.
- ❑ Golf merit badge has been cancelled.
- ❑ Off-site ATV trip is cancelled.
- ❑ No Gaga Pit or Human Foosball can be played.
- ❑ All campfires and flag ceremonies will be done in the campsites.
- ❑ Noonwatch will need to be done in campsites. The camp will share a daily program.
- ❑ Enrichment programs will be adjusted to ensure social distancing.
- ❑ Evening programs will look different, but we will do our best to make them fun and entertaining.
- ❑ Trading Post will be limited to how many can be in the store at once, and safety barriers will be put up to ensure the safety of our staff.
- ❑ No communal items can be used in camp. This means **NO WATER JUGS**. People need to use their own water bottle.

Again, there are only a few items to be aware of. There are many items to review in the document. We will provide any questions you may have in this plan. Email us or call us with any questions so we can make sure you and your unit will BE PREPARED for camp.

## Program Updates: Badge changes, Enrichment Program, and Evening Programs

by [Jeff Pett, Program Director](#) on May 28

Good morning campers! The staff and I are diligently working to make sure that our program is fun and full of adventure (within new Health and Safety Guidelines). Don't worry, many of your favorite activities are still available and some new ones are popping up as you read this newsletter.

A returning favorite is the Camp Wide Relay!! Monday evening competes against other units in our long standing tradition combining athletics, scout skills, and brain/will power. This is a team event so get a scout from your unit for each program area and a runner to pass the baton from one to the next. Please know that, due to social distancing, we will not be allowing crowds to gather in any of the program areas. Units are encouraged to cheer for their competitors along the roads and from their campsites where possible. More on the event is in the appendix of the leader's guide. Know that some of the events might change due to our Health and Safety Guidelines for the summer.

Another returning event is Aquafest!! Thursday evening a limited number of scouts will be invited to the waterfront for a competition of all things aquatic. You'll definitely be getting WET!! Again, info on the event is in the appendix of the guidebook, and again there will be changes made to this event.

With a new camp season comes new ideas, oh boy do we have one. Tuesday night Camp will be a stir with knowledge and excitement. As a limited number of scouts go from area to area, as quickly and safely as possible, they will have their knowledge tested at every turn with questions and demonstrative skills tests. Meanwhile the scouts that are still in their campsites will be visited by other staff members with different and challenging questions. We will have more specifics on the event when you arrive at camp.

All of these fun activities and more earns each unit points in the overall Camp Wide Tournament!! Make sure to participate in as many events as your unit is able and remember each event has points for those units that compete. It's like the lotto, ya can't win if ya don't play!

Below are links to our Merit Badge Program Grid, Afternoon Enrichment Schedule, and our returning Chair Building Competition. Please check them out to see what else we have to offer. Please remember that all activities are subject to change at a moment's notice. In the highest effort to keep our scouts safe and engaged our program is constantly changing, bending, and adapting. We thank you for your patience.

If you have any questions or concerns about the fun program at Camp Long Lake, you can email me at [programdirector@pacbsa.org](mailto:programdirector@pacbsa.org).

## Scout Tri- Weekly Activity

by [Emily Singer, Business Manager](#) on March 29

A scout is physically fit. With this in mind, we are excited to try our first ever **Scout Tri!** Our Scout Triathlon will consist of a 1.5 Mile Run on Monday morning, a ¼ mile swim on Tuesday afternoon, and a 10 mile bike ride on Thursday morning. There is no cost for this event and we do have bikes available to use. In order to gauge our usage of materials, we would like **all participants interested to sign up through this google form by June 7th** We are just getting an initial count to know how much interest there is, and needs.

If you have any questions, please contact us at [businessmanager@pacbsa.org](mailto:businessmanager@pacbsa.org).

### [Scout Tri Sign-up](#)

# Adult First Aid/CPR/AED Red Cross Training

by [Emily Singer, Business Manager](#) on March 28

We will be offering the American Red Cross Adult First Aid/CPR/AED certifications on **Thursday afternoons from 2-5 pm in the dining hall**. This course is separate from any merit badges and is specific to our adults. **The cost of the course is \$45, which includes the 2 year certification, training materials, a reference card, and key-chain breathing barrier.** This is a discounted price from regular American Red Cross trainings. Please sign up and pay for the course when you arrive at summer camp in the Trading Post. [businessmanager@pacbsa.org](mailto:businessmanager@pacbsa.org)

## Program/Merit Badge Supplies Order Form

by [Emily Singer, Business Manager](#) on March 28

Now that many of you have signed your scouts up for this summer's merit badges, please fill out the order form to send in your payment for merit badges and program supplies. You only need one form for each troop. Just add up the total number of scouts you have signed up for each part & send in the payment and form for their merit badges. **All forms & payment are due 2 weeks prior to your week of camp.** If you have not paid prior to camp, please make sure the payment is completed at the beginning of your week at CLL. If you have any additional questions, please contact our Business Manager at [businessmanager@pacbsa.org](mailto:businessmanager@pacbsa.org).

## [Program Order/Payment Form](#)

## Camp Menu & Dietary Requests

by [Emily Singer, Business Manager](#) on May 28

As a reminder **no patrol cooking will be done in camp**. All meals will be served at the dining hall or Boes reception center, depending on your unit's campsite. Due to our serving changes, our menu has slightly adjusted.

If you have any dietary requests, we ask the parents to fill out our Dietary Request form. This form needs to be filled out 2 weeks prior to camp to allow us time to contact families and prepare the request. Please send completed forms to Emily Singer at [businessmanager@pacbsa.org](mailto:businessmanager@pacbsa.org).

# Waivers

by **Brad Singer, Camp Director** on May 29

As you begin to prepare for camp, there are a few forms we want to make sure you are aware to share with your unit. Some are reviewed, others may be new. Make sure if you have any dietary requests that you have the person complete the dietary request form (found below article) AT LEAST TWO WEEKS prior to camp. This way our Business Manager, Emily, can work with the individuals to be prepared. Email those files to [businessmanager@pacbsa.org](mailto:businessmanager@pacbsa.org).

If you have any Scouts who need to leave camp anytime during the week, and it is pre-planned, they need to complete the Scout Early Release form (found below article) and turn it in on Sunday at arrival. This is more important than ever this year with the COVID-19 concerns. If you would like to send those prior to Sunday check-in you can email them to the Camp Director, Brad, at [campdirector@pacbsa.org](mailto:campdirector@pacbsa.org).

For Scouts who will be taking the ATV program this summer, there are two forms that need to be completed prior to camp. One is a waiver form (found below article) that needs to be completed prior to taking the course, and the DNR Start Card (found below article). The DNR start card will ask for a Customer ID number that can be created at [www.gowild.wi.gov](http://www.gowild.wi.gov) or by calling the DNR hotline at 1-888-DNR-INFO (1-888-936-7463). Those forms can be emailed to our Program Director, JP, at [programdirector@pacbsa.org](mailto:programdirector@pacbsa.org) or submitted at check-in on Sunday.

# Medical Forms

by **Brad Singer, Camp Director** on May 29

Medical form expectations have changed as well. This is only temporarily for this summer due to the COVID-19 procedures. The following is from our COVID-19 plan:
