

NYLT Beading Script

NYLT Beading:

Unit Leader: National Youth Leadership Training is a week long program that provides youth with an opportunity to enhance their leadership skills while living by the Scout Oath and Law; in an exciting outdoor environment. In 20____, Troop ____/Crew ____ sponsored ____ of our unit youth to attend NYLT at Long Lake. We hope to continue the trend and send more participants this year. We would like to have **our previous NYLT beaded participant(s)** come forward to help with the beading.

Will the following, please come forward: **NYLT participant(s)**

National Youth Leadership Training is the youth version of Wood Badge. Youth leaders who attend NYLT develop a LIVIT which consists of several personal and scouting-related goals which they have 18 months to complete. When they have completed their LIVIT the participant has earned their beads. We would like to recognize **NYLT participant(s)** for completing their LIVIT and earning their beads.

Beaded NYLT participant(s) beads NYLT participant(s) as the following is read:

NYLT participant(s), you have worked hard to pass along your knowledge, experience and leadership skills to each Scout in the Troop/member of the Crew. Without you, this Troop/Crew wouldn't have developed as well as it has. We are proud of the effort you've put forth and of your accomplishments in Scouting.

Note: There is no official NYLT beading ceremony. If there is not a beaded participant within a unit to participate in the ceremony, the beading can be done by the Senior Patrol leader or adult leader within the troop. This is just a sample of a possible recognition ceremony that can be done at meeting and/or Court of Honor.
