Tentatively Rescheduled to Saturday June 6, 2020.

NOTE: Due to Coronavirus restrictions, the race cannot be held as originally planned or scheduled. We will hold the race on June 6th if enough restrictions are lifted, otherwise will delay the race further. Registration has also been extended to May 31st.

We have created a contingency plan that will involve running the race at a different location without a live audience. Please continue to sign up, late registrations after May 31st (or the Sunday before the race) will not be accepted as we need time to prepare labels for car dropoff!

>>> NEW - Some Packs were not able to hold their races due to the State imposed restrictions. We are therefore asking those units to select 3 racers from last year's Pack race who are still with the Pack as their Pack's representatives. Register below as if it was this year's race.

**Cars will be able to be dropped off at the Council office During the week before the race, June 1st -> June 5th for all registered racers.
Return to this page for any further instructions which will also be sent to registered racers via e-mail.**

Adult volunteers will no longer be required for each racer. We may ask for a couple of helpers for the race, and will let them know via e-mail if needed.

Registration car check in and weigh in will be done prior to the race by the volunteers. If needed, they will make slight adjustments as needed in order for the cars to be qualified such as minor weight reduction.

All awards will be given at the conclusion of the races. Winners will be contacted to arrange for award pickup and photographs. Cars will also be available for pickup the next week, probably at the Council Office.

If possible, we hope to broadcast the race live. Stay tuned for details.
