National Fee Increase

To ensure we have the resources to fulfill the promise of Scouting despite increasing operating costs, the National Executive Board of the Boy Scouts of America has made the difficult, but necessary, decision to increase the annual membership fee, effective January 1, 2020, to:

- \$60 for youth members in Cub Scouts, Scouts BSA, Venturing and Sea Scouts
- \$36 for youth members in Exploring
- \$36 for adult members

Every dollar of the national membership fee goes directly to the National Boy Scouts of America. None of the funds generated stay with the Potawatomi Area Council. The funds go towards the cost of essential services, including liability insurance for those participating in approved Scouting activities, program resources, safety standards, youth protection, personal safety training and services to councils nationwide to sustain Scouting. The National organization will also continue to develop and improve resources that support our volunteers and youth members such as online registration, Member Care, Scoutbook, the Den Leader experience to ensure the safe and consistent delivery of Cub Scouting and improvements aimed at simplifying the annual renewal process.

The National Boy Scouts of America is committed to ensure all youth experience the character-building benefits of Scouting, regardless of their financial situation. To do so, the National Boy Scouts of America has established a national Growing Future Leaders Fund, which is funded entirely through donations, to provide additional financial support to those who need it.
