### WHERE DO OUR PRODUCTS COME FROM? WISCONSIN-BASED... WISCONSIN

Berres Brothers Coffee Roasters located in Watertown, WI, offers over 100 types of specialty coffees, including more than 40 flavored varieties, as well as single origins, blends and Fair Trade certified organics from around the world - all roasted fresh daily.

For over 30 years, our family has been using the same traditional recipe that Danish immigrants brought with them in the late 1800's to Racine, Wisconsin. (The Kringle capital of the world) What began as a small family bakery wanting to share our love of Kringle with the people of Wisconsin, has evolved into a company that today ships our Kringle all over the country.
