Parents, Volunteer Leaders & Scouting Supporters:

Potawatomi Area Council Scouts and families are concluding an exciting summer. Many attended Cub Scout day camps, Scouts BSA summer camps, the World Scout Jamboree in West Virginia, Philmont Scout Ranch, Sea Base and other high adventure experiences. As we begin a new school year, Scout Leaders and Council Staff are busy recruiting new families into the Scouting program. This serves as a great reminder that Scouting is strong in our community.

My goal is to keep you informed about recent national media coverage of the Boy Scouts of America. A few weeks ago, several media outlets ran stories regarding the National Boy Scouts of America after press events were held by a legal team focused on seeking clients in advance of litigation against the National BSA.

Nothing is more important than the safety and protection of children.

The safety of youth in Scouting has been, and remains, the absolute top priority for Potawatomi Area Council, BSA. One case of abuse is too many and the Boy Scouts of America is steadfastly committed to protecting youth. We are outraged that in the past individuals took advantage of our programs and violated trust to abuse children.

YOUTH PROTECTION TRAINING
All registered leaders must complete Youth Protection Training. They must submit to a mandatory criminal background check. All leaders must follow policies on two-deep leadership, never have one-on-one contact. They are required to report any signs of abuse as a mandatory reporter. Also, Scouts and parents receive educational materials on youth protection in the first section of the Scout Handbook.

HELPING SURVIVORS
The Boy Scouts of America sincerely apologizes to anyone who was harmed during their time in Scouting. The Boy Scouts of America believes victims, they support them and will pay for counseling by a provider of their choice. Victims are encouraged to come forward. The BSA’s Scouts First Helpline at 844-SCOUTS1 is available 24/7 to report any suspected abuse or inappropriate behavior.

STRENGTH OF LOCAL SCOUTING
We will continue to see media coverage over the course of pending litigation, but our local Scouting programs will also continue unaffected for families who count on us. The safety and protection of youth in Scouting is our number one priority. Our objective is to strengthen and grow Scouting programs to develop leadership, build character, learn life skills and make positive memories that last a lifetime.

If you have any questions or concerns about recent news or the protection of children in Scouting, please contact me at 262-544-4881 or PaulW.Schwartz@Scouting.org.

Thank you for helping to deliver a safe and impactful Scouting experience for the youth in our community.

Yours in Scouting,

Paul W. Schwartz

CAMP LONG LAKE

Commemorative Brick Plaza
The Potawatomi Area Council is excited to invite you to become a permanent part of Camp Long Lake’s history by purchasing a commemorative 4x8 inch or 8x8 inch engraved brick in our flag plaza. This is a unique and special way for your child, family, business or you to be honored in a lasting and memorable way.

Proceeds from the brick plaza are used to provide staff scholarships each summer to our summer camp staff. Order your brick online or email ProgramPAC@Scouting.org.

MERIT BADGE

Hole-in-One
The golf merit badge clinic took place on August 20 and 21 at St. Johns Northwestern Military Academy. 13 Scouts attended to learn about the history of the Academy and golfing ins and outs. When it was all said and done, each Scout played a full 18 holes between the two days and were able to practice their developing skills under the instruction of amateur golfer, Jim Dicks. Jim took time to teach each Scout the importance of the rules of the game. Golfing and Scouting are a perfect match as Jim reiterated how golf is a gentlemen’s and gentlewomen’s game.

The game is rooted in good faith and a common support for the fellow player. The Scouts learned that just like Scouting, golf requires learned skills and support from the people closest to them.

A Scouter from Madison traveled the whole way for this merit badge. Despite a few sprinkles on day one, the weather couldn’t have been better. The ages of the Scouts ranged from 12 to 15 and included three girls. To complete the clinic, the Scouts had to take a test and golf the whole course at St. Johns Northwestern Military Academy. Each Scout became noticeably better in the end and many learned a great deal from this amazing opportunity.
**PRAIRIE FOX DISTRICT HIGHLIGHT**

**Scouts BSA - Girls**

In February 2019, the Prairie Fox District, formerly the Waukesha and North Unit Service Areas, welcomed its first two Scouts BSA girl Troops; 4G and 159G. Both units started small, with only 11 youth but have grown significantly going into the fall.

Troops 4G and 159G have seen a 27% growth, and shown extraordinary motivation and commitment to the program. So far this year, our girls have earned a total of 39 Merit Badges, 29 ranks, and registered 79% attendance at Camp Long Lake, this summer. With plans underway to start additional Scouts BSA girl Troops in the Fall and Spring, the Family of Scouting movement is clearly flourishing in our district.

**Join Scouts BSA - Girls**

To aid in the growth of our Scouts BSA girl Troops, the Prairie Fox District will be hosting the Council's Join Scouts Night for Scouts BSA-aged girls. The event is scheduled to take place on October 5th at Minooka Park and will feature archery, fishing, and Dutch oven cooking. Please contact the Scout Service Center at 262-544-4881 or email FrontDesk@PACBSA.org for more information or to register.

**Mukwonago Day Camp**

The Prairie Fox District hosted the Mukwonago County Park Cub Scout Day Camp again, this summer. The event ran from July 30 through August 1st. “The Wizarding World of Scouting” themed camp included a speleo cave, archery, BB guns, fishing, wizard sports, water sports, wand making and more.

Thank you to all the Packs that attended, and a special thank you to Steve Sherrod, Jennifer Werner, and all the camp staff for their hard work in making this year's Day Camp a magical experience.

**TRAINING HIGHLIGHT**

SOUTH WIND DISTRICT HIGHLIGHT

Muskego Day Camp

This year the Muskego County Park Day Camp took place from July 16-18. There were six different activities under the Harry Potter theme, ranging from crafting unique wands to playing quidditch in the fields. The Cub Scouts were sure to find an activity that they enjoyed throughout the three days. In addition to the heavily themed activities, Scouts were able to participate in programs that help them advance through the ranks. Archery and swimming took place all three days. The weather was not ideal, but as Scouts, we are always prepared. The weather did not close camp. Alternative activities were created to keep the fun going through the storms.

The big highlight of the camp was the ice cream social and campfire to conclude the third and final day. At the campfire, the Cub Scouts performed the slogans and skits they had been planning for the three days. Entering stage left, with all of the house banners behind them, the Scouts proudly presented in front of the whole camp. A huge thank you to all of the volunteers who helped put on a great camp this year in Muskego, it would not have been possible without you.

Advancement

The South Wind Troops have been hard at work all year, including an incredible Summer, to work towards merit badges. Throughout the District they have accumulated 610 merit badges year to date. At this pace, the Scouts will have acquired over 1,000 merit badges by the end of the year!

October presents the next opportunity to learn about Life to Eagle. Are you a Scoutmaster, Troop Leader, or parent of a Scout who is Life Rank and looking to work on their Eagle Rank? We invite you to attend this very important training on the “do’s and don’ts” of obtaining the Eagle Rank. All are highly encouraged to attend. Register at pacbsa.org.

Two Sessions

- October 19: 9:30 a.m. - 12:30 p.m.
- October 19: 1:00 p.m. - 3:00 p.m.

We will see you at the Scout Service Center in October.

Become a certified Leave No Trace Trainer. You may now train Adults and Youth in how to train their Units. This course teaches you how to follow Leave No Trace, with hands on activities. Cooking your meals, setting up your campsite and hikes are all hands-on participation during the training. Certification takes place at Camp Long Lake on November 9-10, 2019.

Register now. Only 16 spots available for this great experience: pacbsa.org/event/leave-no-trace-trainers-course/2552226
WESTERN TRAILS DISTRICT HIGHLIGHT

Park Clean Up
Pack 73 and Troop 73 recruited new Cub Scouts and Scouts BSA youth at their annual Park clean up in Dousman. Youth and their families came out to Dousman's Cory Municipal Park on Main Street. Trash was picked up, weeds were pulled and mulch was spread around. Four new Cub Scouts came on. This is a great way to see Scouts in action. Don't forget to use social media to invite the community to get involved. Great job to all involved.

Oconomowoc Day Camp
On June 12-14, 2019, the Western Trails District had their Annual Cub Scout Day Camp. 87 youth from around our Council came and participated in three days of fun at our Wonderful World of Wizardry Day Camp, located at the Indian Mound Scout Reservation, in Oconomowoc. The Cub Scouts were able to shoot BB guns and bows and arrows. Kids played games in a castle, commandeered a pirate ship, explored an abandoned mine, created enchanted items in the craft area and swam in Silver Lake. A huge thank you to Camp Director, Donna Lindemann, Program Director, Matt Plotz, and the rest of the outstanding Camp Staff.

Dear Pack and Troop Leaders:

In partnership with the BSA’s National Service Center, the Potawatomi Area council will be supporting your pack with digital recruitment marketing this fall. Through digital ads, we’ll ensure that families in your community understand the incredible benefits of Cub Scouting and know how to join.

Layered on top of your pack’s recruitment efforts will be ads in Facebook, Instagram, Pinterest, YouTube and Nextdoor that will promote Cub Scouting and drive people to your specific joining events.

We’re not asking you to do anything differently than you already do! Continue to plan your recruitment event. We’re simply adding digital ads on top of those plans in a seamless, turnkey way. The work of executing those ads will be handled between the council and the national office.

What will it cost your pack? Nothing! This service is being provided by the council and the BSA. There is no cost to your pack.

No additional tasks...no additional cost...what’s the catch? There is no catch! We’re working hard to ensure families understand that Cub Scouting can help them make the most of the time they have together, and that Cub Scouting can help them set their children on the path to success. With a strong recruiting effort, we can ensure every family has the opportunity to join Scouting.

Here’s what we need from you: the date, time and location of your joining event (open house, school night, etc.) That’s it! We’ll take care of the rest!

All we need from you is to fill out the Flyer and Digital Marketing Campaign Request form and send it to frontdesk@pacbsa.org, and we will do the rest.

Thank you for all you do through Scouting to support the families in your community. Your work changes lives, piece by piece, meeting by meeting. Your efforts make a difference, and we thank you for the time you so generously give.

Yours in Scouting,

Kathlene Sisson                      Matthew Winters
Council VP-Membership               Field Director

You don’t have to be eating at a fancy restaurant to enjoy chocolate lava cakes for dessert! Pour this batter into cupcake wrappers in your camp Dutch oven and in 10 minutes you’ll be finishing off a great meal with these scrumptious individual Chocolate Lava Dutch Oven Cakes fit for a 5-star feast!

Camp Cooking Tip: One of the secrets to easily making these Chocolate Lava Dutch Oven Cakes in a camp Dutch oven is to use Foil Cupcake Liners because they stay in place as you pour the batter in each cup and they hold their shape as the batter bakes. Just place the liners in the bottom of the oven and pour an even amount of batter in each cup.

**Make the Batter**
I like to make the batter before I prepare dinner, so it is ready as soon as we finish eating our main course.

**Beat by Hand**
In bowl, combine the following ingredients and beat by hand till sugar is dissolved:
- 5 large eggs
- 1/2 cup sugar
- Pinch of salt
- 1 tablespoon

**Heat Over Medium**
In a medium saucepan over medium heat, melt the following:
- 1 cup unsalted butter
- 1 cup semisweet chocolate chips

Remove from Heat and Add Hand-Beaten Mixture
Remove saucepan from heat and stir in the egg/sugar mixture until smooth.

**Pre-Heat the Oven, Add Batter and Bake**
- Pre-heat 12-inch Dutch oven to 450°F.
- Add foil cupcake liners to fit bottom of the oven (will make about 12 cakes)
- Pour equal amounts of batter in each liner
- Bake approximately 8-10 minutes, you want the batter to puff up BUT not enough to set the center (this is where the lava comes from...yum!)

**Cool, Sugar and Serve**
Let these little Chocolate Lava Dutch Oven Cakes cool slightly in the bottom of the oven by removing the lid and setting the oven away from the coals. They will fall as they cool. I like serving them when they are slightly warm and gooey, so I don’t let them cool too much. Just before serving, I sprinkle them with a little bit of powdered sugar. Be careful when removing the cakes from the Dutch oven because the oven will retain heat for a period of time.
- 1 tablespoon powdered sugar

If you have any leftovers just place them in your RV refrigerator or camp cooler ... once chilled they are sort of like a cross between a chocolate cupcake and a delectable chocolate fudge!
