EXPANDING TROOPS

Exciting things have been happening in the Central District so far in 2019. On February 1, our district helped push Scouting forward by registering two Scouts BSA Troops with more potentially on the way. This is important development. It provides local outlets for all middle school and high school aged youth to experience our quality program and prepares an avenue for female Cub Scouts in our district to advance.

PRAIRIE FOX DISTRICT HIGHLIGHT

DAY CAMP

School may be winding down, but Scouting is winding up as our units prepare for summer! The Central District will once again be holding its own Day Camp for Cub Scouts in Mukwonago on July 30 through August 1. Scouts BSA units will have the opportunity to attend summer camp at the newly restored Camp Long Lake.

Adult leaders are encouraged to attend the District's Second Annual Adult Appreciation Gathering where we will celebrate the outstanding efforts of our unit leaders and the successes of our program year. Be sure to keep an eye on your emails, as more information on all of these events will be released soon.

NORTHERN TRAILS DISTRICT HIGHLIGHT

WHAT’S NEW

As Scouts, we strive to apply the principles taught through the Scouts BSA to everyday life.

Based on feedback from communities across the country ninety percent of parents not involved with the Boy Scouts of America expressed interest in getting their daughter involved in programs like Cub Scouting. This year, the Northern trails District exemplified what it means to be a Scout by making the mission of the Boy Scouts of America available to boys and girls!

TROOP 156G

Leaders from Troop 156B worked together to start Troop 156G; a girls Troop from Tonawanda. The programs Scouting offers are available to all youth in the community.

CUB SCOUT DAY CAMP

The Northern Trails District will be holding our annual Day Camp for Cub Scouts in Menomonee Falls on August 6, through August 8. We look forward to seeing Packs from all over the District in attendance!

Since our very own Camp Long Lake will be newly restored, all Scouts are able to attend Summer Camp this year! Check out the Council website for more details at pacbsa.org
LARGEST SCOUTS BSA TROOP

Troop 229G out of Mukwonago was the largest Scouts BSA Troop in the Country on February 1! With a total of 28 girls, Troop 229G is off to a fast start, they have already planned their trip to Florida Sea Base. The dedication of the volunteers who spent time recruiting and organizing the unit has paid off in a big way for the Troop.

The Troop was featured on TMJ4 nightly news, recognizing them for their historic achievement. Over 11,000 girls have joined Scouts BSA and the numbers are continuing to grow. Troop 229G will go down in history as the largest girls Troop in the country and the Potawatomi Area Council is very proud of that. Congratulations to the Troop!

PACK 26 GIVES BACK

Under the direction of Chris Abraham, Pack 26 out of Big Bend has decided to give back to the Camp that they call home. As everyone knows, last fall brought a storm that heavily damaged Camp Long Lake. As a result, many of the trees that make the camp so recognizable and unique were knocked down from strong winds. Having been to Camp Long Lake, and knowing how important the trees there are to the camping experience, Pack 26 decided to help out. They raised $534 for the Potawatomi Area Council to fund re-planting new trees at Camp.

After hearing of the devastation at Camp Long Lake, the pack committee planned a fund-raiser to help Camp Long Lake. Scouts were asked to bring a homemade dessert for a bake sale run by the Pack. The funds generated by the Pack were generously donated. Pack 26 has shown that they embody the Scout Oath and Law through their actions. Thank you to everyone involved in the efforts.

LEMON-LIME SODA APPLE DUMPLINGS

INGREDIENTS

- 2 large Granny Smith apples
- 1 12-ounce can of lemon-lime soda
- 2 8-ounce cans of refrigerated crescent rolls
- 1 stick real butter
- 1 cup sugar
- 1 tablespoon cinnamon

Serves: 8

INSTRUCTIONS

1. Use a Dutch oven large enough to accommodate all apples in one layer because they’ll rise/expand when cooking.
2. Cut each apple into eight pieces. Wrap each piece in one crescent roll.
3. Melt stick of butter in the bottom of the Dutch oven and roll each piece in the melted butter before placing them in the bottom of the pan.
4. Mix cinnamon and sugar and sprinkle the mixture over all apple pieces (mixing the sugar rather than just dusting the tops better incorporates the cinnamon flavor). Carefully add the soda so as not to wash away sugar from the dumplings.
5. Based on oven size, adjust the amount of briquettes on top and bottom and bake until dumplings turn golden brown (in conventional oven about 30 minutes at 350 degrees).
