

YPT2 – Youth Protection Training

Wednesday Afternoons During the Weeks of Summer Camp

2:00 p.m.

Camp Long Lake Dining Hall

(Please check-in at the Camp Office before making your way to the Dining Hall)

New National policy and training requires ALL adult scout volunteers to complete the new version of youth protection (aka YPT2) by October 1, 2018.

In an effort to provide as many opportunities for adults to complete the training the PAC is offering YPT2 in-person training each week at Summer Camp. This training is opened to any adult, you don't have to be attending camp that week to join the Wednesday training session. What a great reason to take a half day off from work and spend it at Camp Long Lake!

Wednesday Training Sessions include:

Week 1: Wednesday, June 20, 2018

Week 2: Wednesday, June 27, 2018

Week 3: Wednesday, July 11, 2018

Week 4: Wednesday, July 18, 2018

Week 5: Wednesday, July 25, 2018

Week 6: Wednesday, August 1, 2018

In order for the trainers to be prepared for the sessions, please register on line at <http://www.pacbsa.org/event-flyers/64435>, and select the session that you wish to attend. Please complete your registration by the Monday prior to the training session. There is no fee for attending the in-person training.
