

# Webelos Day at Camp Long Lake 2008

[www.pacbsa.org](http://www.pacbsa.org)

## *Come see how Boy Scout Camp is different than Cub Day and Resident Camps!*

Webelos Day allows older Cubs to see the excitement of Boy Scouting in Action. Webelos Dens could come to camp the Wednesday of a week when a local troop is attending summer camp-or pick any Wednesday. This is a great way to encourage Webelos to cross the bridge into Scouting. A staff member will act as a Den Chief and escort your Webelos and adults around camp to all programs. Two deep adult leadership is the minimum however we encourage one to one ratio when possible.

Wednesdays available include: June 25, July 9, 16, 23 or 30, August 6 or 13

- Registration is at 8:30 AM. Please arrive *after* 8:30 AM
- Depart by 10 PM at the latest.
- Cost: \$14 per adult or youth (advance) \$24 at door Includes 2 meals

**Items needed:** swimsuit, towel, sunscreen, hat, bug repellent, comfortable closed toed shoes (no open toed shoes allowed in camp), **Class I Medical Forms (send in medical forms one week prior to camp)**, and some extra spending money for snacks, woodcarving projects, and souvenirs.
