SIGNATURE FLAVOR

Flavored Coffees are our speciality. Berres Brothers coffee has incredible taste in our special flavored gourmet coffee blends.

BOY SCOUT BLEND

Exquisitely creamy, delectably sweet. An indulgence of rich buttery vanilla, frosted with decadent caramel.

HIGHLANDER GROGG

Indulgently sweet, richly enticing. Our top seller...an explosion of caramel, butterscotch and hazelnut.

DECAF

A solvent-based process in which the caffine is extracted from the beans at high pressure near the solvent's boiling point. At the conclusion of the process, the caffeine has been safely removed without affecting the beans or their flavor capacity.

DECAF HIGHLANDER GROGG

Indulgently sweet, richly enticing. Our top seller...an explosion of caramel, butterscotch and hazelnut.

SIGNATURE ROAST

Simply put, signature roasts reflect our people, our creativity and our passion for coffee. By carefully combining various beans from all over the world, we create a unique, pleasing and distinctive coffee experience for just about any coffee lover.

BREAKFAST BLEND

Perfectly balanced, exquisitely smooth. Wake up to this lively blend of South & Central American beans.

CABALLO COLUMBIAN ROAST

Full-bodied coffee with less brightness and snap; perfect for easy-drinking, with soft nuttiness, big sweetness and low acidity.
