**POTAWATOMI AREA COUNCIL  
BOY SCOUTS OF AMERICA**

# SCOUT EXECUTIVE REPORT

On behalf of the 4,493 registered youth served and 1,616 registered adult volunteers, the Potawatomi Area Council is pleased to present you with the 2020 Annual Report.

With all the challenges that 2020 handed us, we still had a successful year developing the next generation of community leaders. In 2020 only 11% of the Boy Scout Camps in the country held summer camp. We are proud to say that Camp Long Lake was one of them. Summer camp 2020 was different, people in masks, wash stations around camp and gallons of hand sanitizer. In the end we provided a great camp experience for the people who attended.

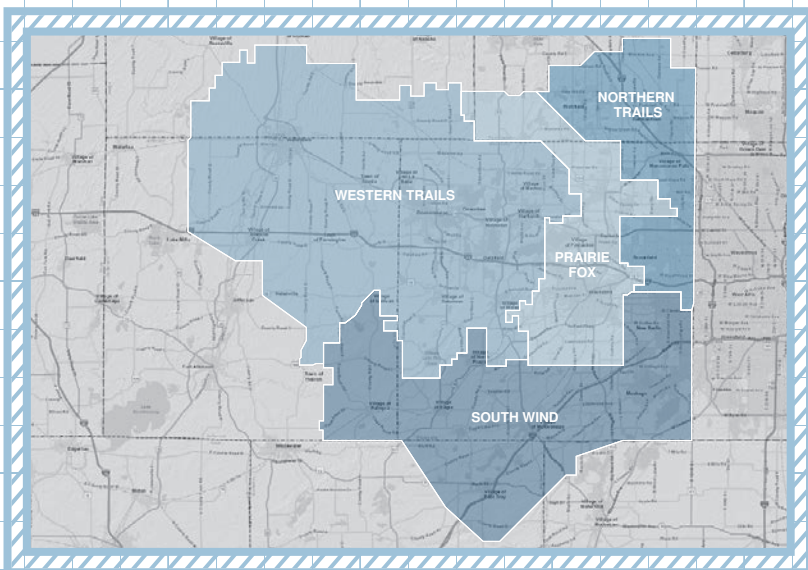

Even with the impact of Covid, Potawatomi Area Council had a very strong financial year in 2020, ending the year with a balanced budget. But more importantly we were able to invest more dollars in Camp Long Lake improvements. The largest improvements at camp came in the staff area. We completed the staff dorms and renovated the Kiwanis Cabin. Both facilities are now available for rent to our Scouting units. Camp Long Lake continues to be the jewel of the Council and will continue to invest in its future.

It was also a great year for activities. Our Scouts participated in several high-quality programs like: Winter Blast, Swamp Fox, River Rats, Webelos Resident Camp, Fall Camporee, Creep-O-Ree, National Youth Leadership Training to name a few. My commitment to our Scouts, Leaders, Donors, and you are to maintain these great programs and expand them to a growing number of Scouts.

I am grateful to all those who helped make 2020 so successful, and I am more excited about what we can do to change the lives of future Scouts in our community.
