## Camp Long Lake

Est. 1946

### 2023 NEW PROGRAM

Camp Long Lake is committed to promoting the NOVA program by offering activities that Scouts can do to work their way to earning one of the four areas.

Expanding the STEM lab for programs that will offer badges such as digital technology, graphic arts, robotics and electronics.

### NO TROOP..NO PROBLEM

Provisional camp is an opportunity for a Scout to spend a full week at camp without their Troop with our provided Scoutmaster/ leadership. Scouts can work on the merit badges, rank advancements and participate in any Outpost excursions (older-Scout). Provisional camp is also a chance for a Scout to experience a second week of camping.

**TERMS AND CONDITIONS OF SUMMER CAMPSITE RESERVATIONS:** Campsite sharing is an available option. Small troops should consider the advantages of combining in a site; it can help to maintain Two Deep Leadership. The Potawatomi Council Camping Committee reserves the right to assign another troop to any unused area in a reserved campsite or offer an alternative campsite option, which allows us to maximize the number of Scouts enjoying the camping experience at Camp Long Lake. Late deposits may jeopardize choice of campsites.
