As part of the Journey to Excellence program provided by the Boy Scouts of America, units were asked to log any service hours that were provided by Scouts or adults using the Good Turn for America online reporting portal.

The Good Turn for America website was revised in 2021 to simplify and consolidate reporting into Internet Advancement, a platform that Scouts and Scouters use more regularly.

Internet Advancement captures unit and individual community service and (as of 8/10/2022) captures Eagle Scout service project information from Eagle Scout candidates.

These logs are channeled into a comprehensive report titled the "Activity Log Report" (available for units in Internet Advancement) and the "Service Activity Report" (available for council professionals in my.Scouting), which can easily be downloaded for Journey to Excellence Reporting and use in reporting to the community (i.e., annual reports and communication with donors and stakeholders).

The following guidance is provided to assist in getting started and successfully report service activity.

## Steps to Report Community Service and Download Reports

## 1 Complete a Unit or Individual Community Service Project

Units can create service activity opportunities where members can engage in service to the community or individuals can complete service projects on their own with unit leadership approval. When completed individually, a signed document from the benefitting organization is required.

## Report Unit or Individual Community Service

Units can report unit service by clicking the "Activities" button in Internet Advancement and clicking the "+" button
