New Program 2026

Camp Long Lake is dedicated to promoting target sports by offering activities that help Scouts work towards earning achievements in one of the four target sports areas. Additionally, we have introduced a dedicated Cowboy Action target range.

Archery, rifle, shotgun and hatchet/knife throwing have been expanded to offer more opportunities for more Scouts to learn different disciplines at camp.

No Troop, No Problem!

Provisional camp is an opportunity for a Scout to spend a full week at camp without their Troop with our provided Scoutmaster/ leadership. Scouts can work on merit badges, rank advancements and participate in any Outpost excursions (older-Scout). Provisional camp is also a chance for a Scout to experience a second week of camping.
